Glenbard East students named State Scholar finalists

Several dozen students at Glenbard East High School in Lombard have been named Illinois State Scholar finalists.

The Illinois State Scholars program recognizes high school students for outstanding academic achievement.

Students ranking in the top 10 percent of the state's 137,000 high school graduating seniors have been named Illinois State Scholars. Selection is based on SAT I and/or ACT test score results and/or the students' class rank at the end of the junior year of high school. While the program does not provide a monetary award, qualified students are encouraged to list the honor on applications for college admissions and scholarships.

Glenbard East seniors receiving State Scholar recognition include:
